(pursuant to Executive No. 2, s. 2016)

2021

Introduction

This Manual serves as a guide to the public in exercising their constitutional right to information on matters of public concern pursuant to Section 7, Article III of the 1987 Constitution.

It also seeks to implement the State policy of public disclosure pursuant to Article 28, Article II of the 1987 Philippine Constitution and Executive Order No. 2, Series of 2016 of President Rodrigo R. Duterte.

The Ifugao State University adopts the procedures set out in this Manual, the limitations provided herein and remedies available to the Requester in the event of denial of such request in the pursuit of achieving balance between the people's right to information and the State's obligation to protect confidential information and ensure competent use of its resources.

We enjoin all IFSU stakeholders to be well informed and knowledgeable of government operations, however, exercising restraint not to abuse such right that may cause gridlocks and delay in the performance of government functions.

7. **Approval and Denial of Request to Information:** The Decision Maker shall approve or deny all request of information. In case where the Decision Maker is on official leave, the Head of IFSU may delegate such authority to his Chief of Staff or any Officer not below the rank of a Director.

SECTION 2: DEFINITION OF TERMS

CONSULTATION. When a government office locates a record that contains information of interest to another office, it will ask for the views of that other agency on the disclosability of the records before any final determination is made. This process is called a “consultation.”

data.gov.ph. The Open Data website that serves as the government’s comprehensive portal for all public government data that is searchable, understandable, and accessible.

FOI.gov.ph. The website that serves as the government’s comprehensive FOI website for all information on the FOI. Among many other features, FOI.gov.ph provides a central resource for the public to understand the FOI, to locate records that are already available online, and to learn how to make a request for information that is not yet publicly available. FOI.gov.ph also promotes agency accountability for the administration of the FOI by graphically displaying the detailed statistics contained in Annual FOI Reports, so that they can be compared by agency and over time.

EXCEPTIONS. Information that should not be released and disclosed in response to a FOI request because they are protected by the Constitution, laws or jurisprudence.

FREEDOM OF INFORMATION (FOI). The Executive Branch recognizes the right of the people to information on matters of public concern and adopts and implements a policy of full public disclosure of all its transactions involving public interest, subject to the procedures and limitations provided in Executive Order No. 2. This right is indispensable to

the exercise of the right of the people and their organizations to effective and reasonable participation at all levels of social, political and economic decision-making.

FOI CONTACT. The name, address and phone number at each government office where you can make a FOI request.

INFORMATION FOR DISCLOSURE. Information promoting the awareness and understanding of policies, programs, activities, rules or revisions affecting the public, government agencies, and the community and economy. It also includes information encouraging familiarity with the general operations, thrusts, and programs of the government. In line with the concept of proactive disclosure and open data, these types of information can already be posted to government websites, such as data.gov.ph, without need for written requests from the public.

MULTI-TRACK PROCESSING. A system that divides incoming FOI requests according to their complexity so that simple requests requiring relatively minimal review are placed in one processing track and more complex requests are placed in one or more other tracks.

Requests granted expedited processing are placed in yet another track. Requests in each track are processed on a first in/first out basis.

- c. The FRO, FDM, or any employee or official who has access, whether authorized or unauthorized, to personal information in the custody of the AGENCY, shall not disclose that information except as authorized by existing laws.

SECTION 4. STANDARD PROCEDURE *(See Annex "E" for flowchart)*

1. Receipt of Request for Information.

1.1 The FOI Receiving Officer (FRO) shall receive the request for information from the requesting party and check compliance of the following requirements:

The request must be in writing;

The request shall state the name and contact information of the requesting party, as well as provide valid proof of identification or authorization; and

The request shall reasonably describe the information requested, and the reason for, or purpose of, the request for information. (See Annex “F” for request form).

The request can be made through email, provided that the requesting party shall attach in the email a scanned copy of the FOI request form, and a copy of a duly recognized government ID with photo.

- 1.2 In case the requesting party is unable to make a written request, because of illiteracy or due to being a person with disability, he or she may make an oral request, and the FRO shall reduce it in writing.
- 1.3 The request shall be stamped received by the FRO, indicating the date and time of the receipt of the written request, and the name, rank, title and position of the public officer who actually received it, with a corresponding signature and a copy, furnished to the requesting party. In case of email requests, the email shall be printed out and shall follow the procedure mentioned above, and be acknowledged by electronic mail. The FRO shall input the details of the request on the Request Tracking System and allocate a reference number.
- 1.4 IFSU must respond to requests promptly, within the fifteenth (15) working day following the date of receipt of the request. A working day is any day other than a Saturday, Sunday or a day which is declared a national public holiday in the Philippines. In computing for the period, Art. 13 of the New Civil Code shall be observed.

The date of receipt of the request will be either:

- a. The day on which the request is physically or electronically delivered to the government office, or directly into the email inbox of a member of staff; or
- b. If the government office has asked the requesting party for further details to identify and locate the requested information, the date on which the necessary clarification is received.

An exception to this will be where the request has been emailed to an absent member of staff, and this has generated an ‘out of office’ message with instructions on how to re-direct the message to another contact. Where this is the case, the date of receipt will be the day the request arrives in the inbox of that contact.

Should the requested information need further details to identify or locate, then the 15 working days will commence the day after it receives the required clarification from the requesting party. If no clarification is received from the requesting party after sixty (60) calendar days, the request shall be closed.

2. Initial Evaluation. After receipt of the request for information, the FRO shall evaluate the contents of the request.

2.1. Request relating to more than one office under the AGENCY: If a

request for information is received which requires to be complied with, of different offices, the FRO shall forward such request to the said office concerned and ensure that it is well coordinated and monitor its compliance. The FRO shall also clear with the respective FROs of such offices that they will only provide the specific information that relates to their offices.

2.2. Requested information is not in the custody of the AGENCY or any of its offices: If the requested information is not in the custody of the AGENCY or any of its offices, following referral and discussions with the FDM, the FRO shall undertake the following steps:

If the records requested refer to another AGENCY, the request will be immediately transferred to such appropriate AGENCY through the most expeditious manner and the transferring office must inform the requesting party that the information is not held within the 15-working day limit. The 15-working day requirement for the receiving office commences the day after it receives the request.

If the records refer to an office not within the coverage of E.O. No. 2, the requesting party shall be advised accordingly and provided with the contact details of that office, if known.

2.3. Requested information is already posted and available on-line: Should the information being requested is already posted and publicly available in the IFSU website, data.gov.ph or foi.gov.ph, the FRO shall inform the requesting party of the said fact and provide them the website link where the information is posted.

2.4. Requested information is substantially similar or identical to the previous request: Should the requested information be substantially similar or identical to a previous request by the same requester, the request shall be denied. However, the FRO shall inform the applicant of the reason of such denial.

3. Transmittal of Request by the FRO to the FDM: After receipt of the request for information, the FRO shall evaluate the information being requested, and notify the FDM of such request. The copy of the request shall be forwarded to such FDM within one (1) day from receipt of the written request. The FRO shall record the date, time and name of the FDM who received the request in a record book with the corresponding signature of acknowledgement of receipt of the request.

- 4. Role of FDM in processing the request:** Upon receipt of the request for information from the FRO, the FDM shall assess and clarify the request if necessary. He or she shall make all necessary steps to locate and retrieve the information requested. The FDM shall ensure that the complete information requested be submitted to the FRO within 10 days upon receipt of such request.

The FRO shall note the date and time of receipt of the information from the FDM and report to IFSU Head or the designated officer, in case the submission is beyond the 10-day period.

If the FDM needs further details to identify or locate the information, he shall, through the FRO, seek clarification from the requesting party. The clarification shall stop the running of the 15-working day period and will commence the day after it receives the required clarification from the requesting party.

If the FDM determines that a record contains information of interest to another office, the FDM shall consult with the agency concerned on the disclosability of the records before making any final determination.

- 5. Role of FRO to transmit the information to the requesting party:** Upon receipt of the requested information from the FDM, the FRO shall collate and ensure that the information is complete. He shall attach a cover/transmittal letter signed by the IFSU Head or the designated officer and ensure the transmittal of such to the requesting party within 15 working days upon receipt of the request for information.
- 6. Request for an Extension of Time:** If the information requested requires extensive search of the government's office records facilities, examination of voluminous records, the occurrence of fortuitous events or other analogous cases, the FDM should inform the FRO. The FRO shall inform the requesting party of the extension, setting forth the reasons for such extension. In no case shall the extension exceed twenty (20) working days on top of the mandated fifteen (15) working days to act on the request, unless exceptional circumstances warrant a longer period.
- 7. Notice to the Requesting Party of the Approval/Denial of the Request:** Once the DM approved or denied the request, he shall immediately notify the FRO who shall prepare the response to the requesting party either in writing or by email. All actions on FOI requests, whether approval or denial, shall pass through the IFSU Head or his designated officer for final approval.
- 8. Approval of Request:** In case of approval, the FRO shall ensure that all records that have been retrieved and considered be checked for possible exemptions, prior to actual release. The FRO shall prepare the letter or email informing the requesting party within the prescribed period that the request was granted and be directed to pay the applicable fees, if any.

9. **Denial of Request:** In case of denial of the request wholly or partially, the FRO shall, within the prescribed period, notify the requesting party of the denial in writing. The notice shall clearly set forth the ground or grounds for denial and the circumstances on which the denial is based. Failure to notify the requesting party of the action taken on the request within the period herein provided shall be deemed a denial of the request to information. All denials on FOI requests shall pass through the Office of the IFSU Head or to his designated officer.

SECTION 5. REMEDIES IN CASE OF DENIAL

A person whose request for access to information has been denied may avail himself of the remedy set forth below:

1. **Administrative FOI Appeal to the IFSU Central Appeals and Review Committee:** Provided, that the written appeal must be filed by the same requesting party within fifteen (15) calendar days from the notice of denial or from the lapse of the period to respond to the request.
 - a. Denial of a request may be appealed by filing a written appeal to the IFSU Central Appeals and Review Committee within fifteen (15) calendar days from the notice of denial or from the lapse of the period to respond to the request.
 - b. The appeal shall be decided by the IFSU Head upon the recommendation of the Central Appeals and Review Committee within thirty (30) working days from the filing of said written appeal. Failure to decide within the 30-day period shall be deemed a denial of the appeal.
2. Upon exhaustion of administrative FOI appeal remedies, the requesting party may file the appropriate judicial action in accordance with the Rules of Court.

SECTION 6. REQUEST TRACKING SYSTEM

The AGENCY shall establish a system to trace the status of all requests for information received by it, which may be paper-based, on-line or both.

SECTION 7. FEES

1. **No Request Fee.** The AGENCY shall not charge any fee for accepting requests for access to information.
2. **Reasonable Cost of Reproduction, Copying, and/or Delivery of the Information:** The FRO shall immediately notify the requesting party in case there shall be a reproduction, copying and/or delivery fee in order to provide the information.

Such fee shall be the actual amount spent by IFSU in providing the information to the requesting party. The schedule of fees shall be posted by IFSU.

3. **Exemption from Fees:** IFSU may exempt any requesting party from payment of fees, upon request stating the valid reason why such requesting party shall not pay the fee.

SECTION 8. ADMINISTRATIVE LIABILITY

1. **Non-compliance with FOI.** Failure to comply with the provisions of this Manual shall be a ground for the following administrative penalties:

 - c. 3rd Offense – Dismissal from the service
2. **Procedure.** The Revised Rules on Administrative Cases in the Civil Service shall be applicable in the disposition of cases under this Manual.
